Empowering Farmers with Knowledge, Nature, and Resilience.

Agri SAARTHI's PRAN 2025 is a 7-Days National Online Training Program (Oct 1-7, 2025) on Natural Farming for Resilient and Sustainable Agriculture.

This initiative encourages adoption of eco-friendly, low-cost farming methods. It aligns with India's National Mission on Natural Farming (NMNF) to reduce input costs and build healthy, biodiverse soils. Participants will learn to prepare indigenous bio-inputs (e.g. Jeevamrit, a cow-based fertilizer) and implement climate-resilient cropping techniques.
