### **Best 10 Research Papers**

- Thukral, Swati, Singh, SP, Dogra BS and Thakur Palvi, 2021. Character association and path analysis studies in some genotypes of Brinjal (*Solanum melongena* L.) under low hill conditions of Himachal Pradesh. International Journal of Farm Sciences 11(4): 135-139 (NAAS Rating 4.29)
- Thukral, Swati, Singh, SP, Dogra BS and Thakur Palvi, 2021. Analysis of genetic variability in Brinjal (*Solanum melongena* L.) under low hill conditions of Himachal Pradesh. International Journal of Farm Sciences 11(4): 147-151 (NAAS Rating 4.29)
- Chauhan A, Chandel KS and Singh, SP. 2017. Studies on correlation and path analysis for yield and yield contributing traits in eggplant (*Solanum melongena* L.) involving bacterial wilt resistant genotypes. Vegetos. 30 (4): 118-121 (NAAS Rating 5.27)
- Mandradia, RK, Kaler, RK and Shiv Pratap Singh 2015. Evaluation of mango cultivars against floral malformation in sub-tropical zone of Himachal Pradesh. Pl. Dis. Res. 30 (1): 86-8 (NAAS Rating 4.76)
- Kumar Dharmender, Kumar Sandeep, Chander Prakash, Kumar Manish, Thakur, KS, Dogra Balbir Singh, Kumari Santosh and Shiv Pratap Singh 2013. Assessment of variability in cabbage germplasm for yield and important horticultural traits. Plant Archives Vol 13 (1): 457-461 (NAAS Rating 4.73)
- Chaudhary Naveen, Pathania, NK, Singh, SP, Kumar Pardeep and Singh, Yudhvir. 2011. Evaluation of red and yellow capsicum hybrids for quality attributes in naturally ventilated polyhouse in mid hills of Western Himalayas. Vegetable Science. 38 (2): 218- 220. (NAAS Rating 4.93)
- Choudhary Naveen, Pathania NK, Singh, SP, Pradeep Kumar and Sharma Parveen 2010. Performance of yellow and red capsicum hybrids in naturally ventilated polyhouse in mid hills of Western Himalaya. Himachal Journal of Agriculture Research. 36 (1): 40-46 (NAAS Rating 3.44)

- Pathania, NK, Singh, SP, Singh, Yudhvir and Gupta, RK. 2008. Performance of indeterminate hybrids/open pollinated varieties of tomato (*Lycopersicon esculentum* Mill.) under protected environments in mid hills of Western Himalayas. Himachal Journal of Agricultural Research: 34 (2): 120-121 (NAAS Rating 3.44)
- Singh, SP, Thakur, MC and Kanwar, HS. 2006. Studies on heterosis in sprouting broccoli (*Brassica oleracea* var italica Plenck). Indian Journal of Horticulture. 63 (2): 221-223 2. (NAAS Rating 6.00)
- Pathania, N, Chandel, SS and Singh, SP 2004. Screening of biocontrol agents against *Colletotrichum capsici* causing *Anthraco*nose of Bell Pepper. Seed Research. 32 (1) : 111- 112 (NAAS Rating 4.29)
